**PUBLIC RECORDS REQUEST TO SUPERINTENDENT WITH COPY TO EUGENE WALDRON FOR A COPY OF THE LETTER FROM THE PROFESSIONAL PRACTICES REGARDING SHANNON FUSCO**

**DATE: JUNE 16 – 24, 2014**

SENT: JUNE 24, 2014, 3:29 PM

I have already received a scanned copy from Tallahassee since your 2:17 pm response. I was asked in what format I preferred the document, and it was sent immediately to my email account. You wasted so much time and taxpayer money.

Dear Dr. Draper,

Please be advised that I am only required to provide the information in the same format that the District received. Therefore, the letter is available in hard copy. The information is available for pick up or it can be mailed.

Sincerely,

*Dr. Karyn E. Gary*

**Subject:** Re: Public Records' Request

Your response is unacceptable since my schedule will not allow pickup, and I do not want to provide you with my mailing address. I will pursue this further with Tallahassee since you are acting in an arbitrary and capricious manner with the handling of this request.

You have apparently forgotten you work for the public; I am not one of your employees. You have now received my response.

Dear Dr. Draper,

You have received my response. Please let me know how you will be paying for the item and if we will be mailing it to you or you will be picking the document up from the School Board.

Sincerely,

*Dr. Karyn E. Gary*

**Subject:** Fw: Public Records' Request

This response to a public records' request is ridiculous. It takes less time to scan a document and send as an email attachment than to copy and prepare an envelope for mailing. Obviously the superintendent has the office capability to scan documents since a website with school board agendas, school board minutes, and other documents are posted.

Since I have never heard in this century of a document being available in hard copy only, I am asking again that the requested public record be sent to me via email. This is not an unreasonable request.

**Subject:** Public Records' Request

This is a request for a copy of the letter from the FDOE regarding the complaint filed by you against Shannon Fusco with the Florida Professional Practices Commission.

Scan the letter and send to the following email address:

Since this was provided to the school board at a public meeting, there should be no charge.
